# Breaking Barriers Rapid Re-Housing

---

Ending Homelessness  
in Alamance, Caswell,  
Chatham, Person, &  
Rockingham Counties

## What is RRH?

Rapid re-housing provides short-term rental assistance and services. The goals are to help people obtain housing quickly, increase self-sufficiency, and stay housed. It is offered without preconditions (such as employment, income, absence of criminal record, or sobriety) and the resources and services provided are typically tailored to the needs of the person.

Rapid re-housing is a primary solution for ending homelessness. It has been demonstrated to be effective in getting people experiencing homelessness into permanent housing and keeping them there. By connecting people with a home, they are in a better position to address other challenges that may have led to their homelessness, such as obtaining employment or addressing substance abuse issues.
